Durable enamel surfaces	High performance cooktops	Digital Programmable timer	Designed and made in Australia

BENEFITS

Class-leading capacity
Westinghouse freestanding cookers have the largest cavity in their class, with a 80L gross oven capacity. Plus, the separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Easy-reach rear controls
Westinghouse 54cm freestanding electric cookers have a unique easy reach angled rear control system which offers you and your family peace of mind while cooking by keeping oven controls far from childrens reach.

Easy-clean oven and surfaces
Enjoy easy cleaning with one seamless fully sealed oven cavity. No awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

Handy separate grilling compartment
Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.

Durable enamel surfaces
Enjoy a sparkling finish every time. With supreme durability on external surfaces, you can be assured your cooker will look as good as new for years to come.

High performance cooktops
Choose from our practical and powerful range of electric cooktops, with standout features like handy coil, easy-clean solid or stylish, flat ceramic hobs. High performance burners, including a wok burner on selected models, allows you to cook anything with ease, from family stir-frys to slow simmering.

Digital programmable timer
With 3 simple-to-operate buttons, you can automatically set the oven to turn on or off, or simply use the clock as a timer.

Designed and made in Australia
Proudly created for Australians by Australians, you can trust the new Westinghouse 90cm oven to cook all your favourite meals just the way you like them.
